RESPONSE TO OFFICE COMMUNICATION

Sir:

This letter is in response to the Office Communication mailed December 12, 2002, in the above-identified application, having a ONE (1) month period for response set to expire on January 12, 2003. Applicants respectfully request the following amendments be entered and the claims considered in light thereof. Please credit any overpayment or charge any fee deficiency to Deposit Account No. 13-2755

REMARKS

Applicants respectfully request reconsideration of the application in view of the foregoing amendments and the following remarks. The Office Communication states that Applicants previous response, filed October 15, 2002, allegedly does not comply with the requirements of 37 CFR 1.121(c) because it fails to provide a marked up version of the amended claims. Applicants respectfully take the position that a marked up version of the amended claims was submitted with the previous response. However, to facilitate prosecution on the merits, a "Version Showing Markings of Pending Claims" is attached hereto which shows the specific amendments to individual claims, consistent with 37 CFR 1.121(c).

It is believed that the claims are in a condition for allowance and a favorable action on the merits is earnestly solicited.
